EXPERIENCE

Core Team Member – Student Affairs Adamas University	2023 – Present <i>Kolkata, India</i>
--	---

- Selected as a core team member responsible for planning and organizing major university events.
- Coordinated with multiple departments to manage logistics and student engagement.
- Contributed to leadership initiatives and student development programs.

Online Certifications (Udemy & NPTEL)	2023 – 2024
--	-------------

- Completed online certification courses in programming, web development, and technical fundamentals.
- Gained practical knowledge through hands-on projects and assessments.

PROJECTS

Khet Se Ghar Tak[\[khet-se-ghar-tak.netlify.app\]](https://khet-se-ghar-tak.netlify.app) – **Farmer Marketplace Website** Developed a web-based platform that connects farmers directly with customers. Enabled farmers to list products and customers to place orders, improving accessibility and reducing middlemen dependency.

Job Eligibility Checker[\[jobeligibilitychecker.netlify.app\]](https://jobeligibilitychecker.netlify.app)- Built an interactive web application that allows users to check eligibility for different career paths based on academic details and user inputs. Focused on validation logic and responsive UI design.

Weather Dashboard Application[\[suncast.netlify.app\]](https://suncast.netlify.app)- Created a real-time weather dashboard that fetches and displays live weather data using APIs. Implemented location-based search, temperature display, and responsive layout for better user experience.

EXTRA-CURRICULAR ACTIVITIES AND LEADERSHIP

- Actively organized Internal Hackathons and SIH (Smart India Hackathon) events at the university level.
- Contributed to organizing Technical Fests and College Cultural Fests, handling coordination and logistics.
- Volunteered in student engagement programs, workshops, and tech events.
- Participated in hackathons and coding competitions to enhance teamwork and technical skills.
